

SECRET

Items for the Daily Log - 10 September 1953 - Legislative Counsel

1. In connection with item 3 of the journal for 9 September, Mr. Kirkpatrick agrees that it would be most inadvisable to brief Congressman

25X1A

2. In connection with item 6 of the log for 9 September, [redacted] informs me that the DD/P components have had no contact with the International Materials Conference.

25X1A

3. In connection with the memorandum to me from Paul Wilson of the staff of the House Appropriations Committee, dated 31 August, and requesting that Congressman Ostertag be contacted at various stops on his trip, it is suggested that I inform Mr. Wilson that we will reach Mr. Ostertag in certain key places, namely [redacted] but not attempt to reach him at all stops on his trip.

25X1A

4. In connection with the trip abroad of a House Foreign Affairs Subcommittee, headed by Congressman Judd, the Director desires to give Mr. Judd a formal briefing and wishes me to arrange same. However, as the Director was going to see Mr. Judd on 10 September, I will await the outcome of this meeting before approaching the Congressman.
